

alleviates hunger and improves nutrition by increasing the food purchasing power of low-income households, enabling them to obtain a more nutritious diet that contributes to the prevention of obesity, diseases, and food insecurity.

Cutting funding is a threat to SNAP's mission to alleviate the health problems many children face in America. Studies indicate that children who are provided with healthier food are less likely to develop health problems and more likely to excel better in school. Sixty-two percent of teachers in a survey said that they have children in their classrooms that come to school hungry regularly because they are not getting enough food to eat at home.

HONORING ELOISE LUNDGREN

HON. JOHN R. CARTER

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 25, 2013

Mr. CARTER. Mr. Speaker, I rise to honor my longtime friend Eloise Lundgren. On October 1, 2013 Eloise will be named the John Garth Person of the Year by the Bell County Judge and Commissioners' Committee on People with Disabilities.

Eloise's life has been one of service to others. A consummate people person, she's worked in public and community relations at the Texas Department of Transportation, Fort Hood, and has been public affairs officer with the U.S. Army Operation Test Command since 2006.

Yet unbeknownst to many of her friends and colleagues, Eloise has been living with complications of Guillain-Barre syndrome since 1998. A disorder where the body's immune system attacks the nerves, Guillain-Barre syndrome begins with weakness and tingling in the extremities which eventually paralyzes the whole body. She's undergone years of treatment yet still suffers from the ravages of the disease.

Eloise's tenacity hasn't let her illness slow her down. She fulfilled a promise to visit her mother in Hungary over the summer. A vital member of the community, her commitments to Rotary, United Way, and her faith are as strong as ever. She remains an inspiration to all who know her.

Eloise is living proof of Sam Houston's maxim, "Texas has yet to learn submission to any oppression, come from what source it may." I admire her perseverance and I'm proud to call her my friend. Both Erika and I wish her nothing but the best in the years ahead.

AMERICORPS AND THE CORPORATION FOR NATIONAL AND COMMUNITY SERVICE 20TH ANNIVERSARY

HON. MARCIA L. FUDGE

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 25, 2013

Ms. FUDGE. Mr. Speaker, I extend my congratulations to AmeriCorps and the Corporation for National and Community Service on celebrating its 20th anniversary on September 21, 2013.

In communities across America, committed AmeriCorps members are making an impact and a powerful difference on some of the most critical issues facing our nation: poverty, hunger, education and much more. Since its inception, more than 820,000 men and women have taken the AmeriCorps pledge, serving more than one billion hours and improving the lives of their neighbors and our communities.

In the 11th Congressional District of Ohio, AnneriCorps members are serving with long standing community organizations including the Akron-Canton Regional Foodbank, City Year, the Cleveland Foodbank, The Literacy Cooperative and others. Sequestration has severely impacted the program's budget in 2013 and curtailed hiring of AmeriCorps associates. This is a loss for both the community and the AmeriCorps members who leave the program with valuable skills, tested leadership abilities, experience to help jumpstart their careers and a deeper understanding of community problems and how they might work to address them.

I support efforts to ensure continuation of this much needed program and urge everyone to join me in celebrating the 20th anniversary of AmeriCorps.

Wednesday, September 25, 2013

Mr. MILLER of Florida. Mr. Speaker, I rise today to recognize Mr. Joe Jannazo as the Hurlburt Air Force Association (AFA) Chapter 398 Middle School and Overall Teacher of the Year for 2013. For the last four years, Mr. Jannazo has been an inspiration to his students, his colleagues, and the Northwest Florida community. I am honored to recognize his success and achievements.

After graduating from Florida State University in 2007, Mr. Jannazo became a teacher at WC Pryor Middle School in Fort Walton Beach, Florida where he was initially hired to teach aviation. The school quickly capitalized not only on Mr. Jannazo's passion for aviation, but also his leadership, energy, and dedication to his students, by dramatically expanding the subjects he taught to also include engineering, meteorology, and robotics oriented courses. In this capacity, Mr. Jannazo has enhanced his students learning opportunities and spurred their interests in the world of science and engineering with the support of the outside community, including the local AFA Chapter, Embry Riddle Aeronautical University, the Civil Air Patrol, and the "For Inspiration and Recognition of Science and Technology" (FIRST) Lego Robotics Program.

Mr. Jannazo has helped create programs that excite his students with hands-on learning where his coursework creatively integrates numerous science and mathematics concepts like the skills required to develop flight plans, access weather conditions, fly aircraft simulators, and design, build, and program robots. His efforts have taught his students important leadership, team building, and problem solving skills.

Northwest Florida has been blessed with an abundance of exemplary educators like Mr. Jannazo. He has demonstrated his commitment to the success of each of his students through his leadership and passion. Mr. Jannazo's efforts have helped to ensure a strong educational foundation for his young students, our Nation's future leaders.

Mr. Speaker, I am pleased to recognize Mr. Joe Jannazo as the Hurlburt Air Force Association Chapter 398 Middle School and Overall Teacher of the Year for 2013 and thank him for his commitment to service in Northwest Florida. My wife Vicki joins me in congratulating Mr. Jannazo, and we wish him all the best for continued success.

HONORING JEFF HORNBECK

HON. DAVE CAMP

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 25, 2013

Mr. CAMP. Mr. Speaker, I rise today with my colleague Ranking Member Levin, to honor Jeff Hornbeck, Specialist in International Trade and Finance in the Foreign Affairs, Defense, and Trade Division of the Congressional Research Service (CRS). After a distinguished career of more than 32 years at the Library of Congress, 25 of which were at CRS serving Congress on international trade and economic policy issues, Jeff retired from government service on September 3.

Jeff developed a remarkable record of accomplishment during his years on the Hill. His authoritative, non-partisan, and objective expertise and analysis, as exemplified in his many reports, memoranda, and confidential consultative work for Members and congressional staff, have addressed just about every major international trade and economic policy issue before Congress. His institutional knowledge of U.S. trade policy and the policy-making process has been invaluable, especially to the Ways and Means Committee and its Members. His expertise on Trade Promotion Authority, for example, is well-known and will be missed as Congress works on legislation to renew TPA.

Jeff's deep institutional knowledge of U.S. trade policies and laws, the global trading system and architecture, a wide range of trade negotiations particularly with our trading partners in Central and South America, and the fundamental trends in the global economy have played a critical role in Congressional consideration of these issues. He has also provided intellectual leadership to the overall research agenda of the CRS Trade and Finance Section, ensuring that the CRS international trade and finance work was provided in an authoritative, objective, and bipartisan manner.

We congratulate and thank Jeff for his years of excellent service to Congress. We wish him the very best in his retirement.

HONORING PASTOR CLARENCE
SEXTON**HON. JOHN J. DUNCAN, JR.**

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 25, 2013

Mr. DUNCAN of Tennessee. Mr. Speaker, I rise today to honor a Tennessean beloved by thousands of students and worshippers who look to him for spiritual guidance.

Pastor Clarence Sexton has lead Temple Baptist Church in Powell for 25 years.

When Pastor Sexton took over the church in 1988, the congregation consisted of a few hundred people.

Today, the church has grown to more than 6,000 worshippers, and Pastor Sexton's role has expanded to Crown Bible College, where he serves as President.

Pastor Sexton first found his calling to ministry in Blount County in my District, where he met his wife Mary Evelyn Rogers and first attended church at First Baptist Church of Mary-

ville. He also served as head pastor at Greenback Memorial Baptist Church.

In 1967, Pastor Sexton preached his first sermon on a radio broadcast. Decades later, he has lead Temple Baptist Church into the technological age, reaching thousands through audio, video, and the internet.

I have attended Temple Baptist Church many times, and Pastor Sexton is one of most caring men I have ever known. It would be impossible to count the many people he has touched with his kindness, compassion, and grace during his time at Temple Baptist.

I urge my colleagues to join me as I salute Pastor Clarence Sexton, and bring his service to the attention of my Colleagues and other readers of the Record. His calling as a pastor, friend, and leader will continue to inspire many more.

IN RECOGNITION OF THE REPUBLIC
OF CHINA'S (TAIWAN) TRADI-
TIONAL NATIONAL DAY**HON. MATT CARTWRIGHT**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 25, 2013

Mr. CARTWRIGHT. Mr. Speaker, I rise to recognize and honor the traditional National Day of the Republic of China, upcoming on October 10, and the friendship that America has today with Taiwan.

What began with the Wuchang Uprising in 1911 has today become an outstanding example of a free market economy and democracy. Our modern, multi-faceted relationship with Taiwan, one of our largest trading partners, is built on trust and shared values.

As we look to the future, our economic association with Taiwan should be enhanced by additional mutually beneficial investment and trade agreements. Completing a bilateral investment agreement and adding Taiwan to fair trade arrangements should be a priority for the United States. On the issue of trade, I support agreements that strengthen labor, consumer and environmental rights as well as spur manufacturing expansion and income growth for workers and business owners.

Taiwan is and will always be an important element of America's internationally focused economy. As such, Taiwan should be included in multilateral organizations of critical importance to its well-being and should enjoy enhanced integration into the regional economy of east Asia.

I look forward to a deepened United States-Taiwan relationship in order to grow the middle class and achieve greater prosperity for both sides. I also hope we see a facilitation of visits to the U.S. by Taiwan officials and a continued strong cross-tourism relationship with Taiwan. We are very important to each other, that importance must be maintained going forward.

Mr. MILLER of Florida. Mr. Speaker, I rise today to recognize Ms. Stacy Burlison as the Hurlburt Air Force Association (AFA) Chapter 398 High School Teacher of the Year for 2013. For the last four years, Ms. Burlison has been an inspiration to her students, her colleagues, and the Northwest Florida community. I am honored to recognize her success and achievements.

After graduating from the University of West Florida in 2009 with a degree in accounting, Ms. Burlison quickly recognized her true calling was to serve the youth of our community as an educator. Throughout the past four years at Baker School in Baker, Florida, Ms. Burlison has dedicated her efforts to enlightening her students in the wonders of math and science. It is her hope to generate the excitement that will lead to her students' appreciation and interest in the science, technology, engineering, and mathematics (STEM) fields. Ms. Burlison's application of new and creative learning opportunities integrates numerous STEM concepts, including the skills required to design, build, and program solutions to engineering challenges like those required to help robots navigate a model city.

Ms. Burlison constantly seeks innovative approaches and opportunities to better engage her students, including: the local Industry, Design, Engineering, and Students (IDEAS) Competition, the Can-struction competition where canned goods were used to construct an object and then donated to the local food banks and shelters, and participation in a robotics challenge competition. In fact, thanks to Ms. Burlison's instruction, encouragement, and novel teaching style, her students won the "Blood, Sweat, and Duct Tape Award" for their strong efforts in the Emerald Coast BEST Robotics Competition. Ms. Burlison also established a high school STEM club and Family STEM night.

Northwest Florida has been blessed with an abundance of exemplary educators like Ms. Burlison. She has demonstrated her commitment to the success of each of her young students through her leadership and passion, and her efforts have helped to ensure a strong educational foundation for them, our Nation's future leaders.
